

After School Art

brought to you by

The Art Spark

A "spark" is the most valuable moment of the creative experience. When your child creates with The Art Spark, they constantly ignite sparks of imagination as they work to brainstorm ideas, solve problems, and create unique works of art using paint, markers, clay, fabric, paper maché, and so much more. Our teachers are educators who have studied art and education at the collegiate level and beyond!

Theme?

Silly Circus

Who?

Ages K-4th grade

When?

Mondays from 2:50 to 4 p.m.

Dates?

January 9th, 23rd, 30th and
February 6th
