

After School Art

brought to you by

The Art Spark

A "spark" is the most valuable moment of the creative experience. When your child creates with The Art Spark, they constantly ignite sparks of imagination as they work to brainstorm ideas, solve problems, and create unique works of art using paint, markers, clay, fabric, paper maché, and so much more. Our teachers are educators who have studied art and education at the collegiate level and beyond!

Week 1 - Polar Bear Pine Cones

In order to make their polar bear friend, sparklers will use pine cones, felt, googly eyes, and paint to create their polar bear made from nature.

Week 2 - Snow Slime

Sparklers will make special snow slime using different ingredients.

Week 3 - Holly Clay Dish

Sparklers will use air dry clay and will use the slab technique to create a perfect decor dish. Sparklers will not bring their project home this week.

Week 4 - Holly Clay Dish Cont.

Sparklers will continue last week's project by painting and decorating their customized Holly Clay Dish.

Week 5 - Melty Snowman

Sparklers will make a 3D paper art project by using construction paper for the snowman, pastels for details, and a tea light for the snowman's nose.

Other things to note!

- Children in after-care are welcome to attend
- Sparklers meet Art Spark teachers directly after school in art room
